

**Mount Zion Evangelical Lutheran Church**  
**Snow Policy**

In case of inclement weather, the Pastor and an available council member will make the decision as to whether a service should be cancelled.

If it is decided that the service should be cancelled, the pastor or a staff person will change the voice mail on the Mount Zion answering machine.

In addition, the pastor or council member will put a cancellation notice on 580 AM Radio.

The information will be included on Mount Zion's website when the site is ready.
